### **III. THE FEI CODE OF CONDUCT FOR THE WELFARE OF THE HORSE**

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
2. Horses and Athletes must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.

The Long version of this Code can be obtained from the Fédération Equestre Internationale, HM King Hussein I Building, Chemin de la Joliette 8, 1006 Lausanne, Switzerland. Telephone: +41 21 310 47 47. The Code is available in English. The Code is also available on the FEI's website: <http://inside.fei.org/>

## APPENDIX I

Dear Competitors and Chefs d'Equipe

We are looking forward to welcoming you at the CVI Bern 2019 in Switzerland. We kindly ask you to take note of the following information regarding customs clearance for horses travelling to Switzerland. As Switzerland is not a member of the European Union, the import of horses normally causes customs duties and payment of value added tax. As horses participating in competitions usually leave the country again after a few days it is sufficient to have someone who would pay these fees, if the horses remained in Switzerland longer than 3 months (we are sure they will love it here, but we strongly assume that this is not the case).

We can offer you the following two solutions:

- A. Together with our customs agent Zollagentur Krafft GmbH, we can issue an official document called "Carte Blanche" or "Freipass" which allow you to cross the border. As most competitors will leave the country on Monday (which is a holiday and border crossing points normally only accept Carnet ATA's as described in paragraph B) you **must use** the border crossing point **Basel Weil am Rhein, Autobahnzoll** to benefit from this special arrangement:

Within this arrangement the Swiss authorities raise a fee for customs clearance of 60 EUR per trailer/truck, regardless of the number of horses inside. These costs can be reduced if you drive in a convoy of two or more trucks/trailers. If you both **enter and leave** the border at the same time, the whole convoy will count as one truck/trailer and the costs will be divided by the number of parties participating in the convoy. The convoy can contain horses from different nations.

Example: if you cross the border in a convoy of three trucks/trailers the costs decrease to 20 EUR per truck/trailer. The costs for this arrangement will be directly billed by us and can be paid with the entry fee at the show office. Please note that no fee will be charged by us, if you use a Carnet ATA as described in paragraph B.

All competitors who want to benefit from the offered customs clearance service described in this paragraph should contact us by email not later than the **1<sup>st</sup> of May 2019** and must send passport copies of their horses and licence plate numbers of their cars/trailers/horse trucks by the date of the definitive entries (**20<sup>nd</sup> of May 2019**).

- B. Carnet ATA: The Carnet ATA is an international document issued by the chamber of commerce of your home nation. All major highway border-crossing points process **Carnet ATA's 24 hours a day and 7 days a week without charging you any fee**. To be 100% sure you can check the opening hours of your desired border crossing point here: <http://www.ezv.admin.ch/dienstleistungen/04051/index.html?lang=en>

You need to open up your Carnet ATA in advance at your chamber of commerce. The cost they will charge you to issue a Carnet ATA will vary from country to country. You can find the contact information of your national chamber of commerce following the link below and they will guide you through the required steps: <http://www.eurochambres.be/content/default.asp?PageID=1&DocID=1937>

## **XV. ANNEXES**

### **1. RESULTS**

In order to proceed with the results publication and for qualification purposes the FEI requires results to be sent in immediately after the conclusion of the event.

**All results must include FEI Passport Registration number of horses and FEI ID numbers of Athletes.**

Failure from OCs of International Events to provide the FEI with the appropriate result(s) and/or prize money information by the aforesaid deadline and/or in the aforesaid format shall entail a warning for the first violation and thereafter a fine of CHF 1'000.- per violation.
